

Finance Operations Specialist

Zagreb

We are looking for a high-performing Finance Operations Specialist to manage all financial operations and support global business operations. The successful applicant will be responsible for accounting, financial reporting and ensuring compliance.

Applicants must have proven finance, accounting and analytical skills. Experience working in multi-currency and multi-jurisdiction operations is a plus.

Responsibilities

- Preparing Oradian's financial performance reports using GAAP
- Analysing and creating profitability reports
- Updating and implementing procedures for new markets
- Managing all accounting procedures
- Managing and maintaining the accounting systems
- Implementing internal controls and procedures
- Ensuring compliance with tax regulation and corporate policies

Qualifications and experience

- Minimum of three years of accounting experience
- Experience managing teams and operations
- BS degree in Finance, Accounting or Business Administration

Competencies

- Proven ability to create and analyse accounting and financial records
- Fluent in English
- Proficiency in MS Office 365 and Excel
- High degree of accuracy and attention to detail

About Oradian

Oradian – and why it's disruptive

Oradian is a financial inclusion company serving financial institutions in remote, hard-to-reach communities. Using insights from our community of customers, we build a cloud-based toolset that smart financial institutions plug into to access best practice and efficiency.

Our toolset enables financial institutions to become more efficient, know and control their portfolios and serve more clients. We provide access to our toolset on a subscription basis, giving financial institutions access to leading technology.

Our team

We are a quickly growing team of talented and committed experts in technology and microfinance. We work in an open, collaborative culture. Right now, we are a team of 60 from 13 nationalities.

Where we work

Oradian is headquartered in Zagreb (Croatia) with offices in London (UK), Lagos (Nigeria) and Manila (Philippines).

We currently partner with 50 financial institutions in seven countries with a concentration in the Philippines and Nigeria. Collectively, our partners provide access to financial services for over one million end-clients. We are now poised to scale operations and increase sales throughout West Africa, East Africa and Southeast Asia.

Recognition

Oradian's list of awards in the fintech and microfinance industries include:

- Most Innovative Banking Software - European FinTech Awards 2017
- Best Microfinance Enabler Platform - Cashless Africa 2017
- Microfinance Empowerment Recognition Award - Cashless Africa 2017
- SubSocial Impact Award for 2016 Summit Africa -Digital Finance Plus (DF+) Saharan Africa at Mondato

- The Most Innovative Core Banking Platform of the Year Microfinance - Beacon of Information and Communications Technology Awards 2016
- Best Fintech Startup 2015 - Central European Startup Awards
- Wired Money 2015
- Shift Split Conference Startup Competition 2014
- Pioneers Festival Startup Challenge 2014
- DEMO Africa Swell Award Finalists 2014
